6/6 Science Camp

Calling all mad-scientists! Investigate our world with kid-friendly experiments and fun hands-on science learning & activities.

6/6 Arts-n-Crafts Around the World

Dig in and make crafts from other countries! We will use different mediums, color, textures and more to make our masterpieces!

6/20 Get Ready, Get Set, Get Wet

Join us in cooling down with our "Under the Sea" theme! Daily water fun with sprinklers, hoses **FULL**

6/20 Nature Explorers

Explore all the wonders of nature through walks, songs, crafts and more!

6/27 Science Camp

A repeat of our June 6th camp for those scientists who couldn't make it then! A great Learning experience!

6/27 Cowboys and Cowgirls

Circle the Wagons! We're learning about life on a real western ranch. We will work, eat and play Cowboy style!

7/11 Get Ready, Get Set, Get Wet

A repeat of our June 20th camp since it is so popular!

7/18 Creative Art

Image turning vegetables into flowers and rocks into strawberries. We'll use different mediums and learn about different art styles. Great fun!

7/18 Geology Rocks!

Study geodes, minerals and more! Use rocks to paint, craft and make collections!
