We are excited to be implementing a new management system called Procure that will enable us to streamline attendance, billing*, communication and more!

All families have been invited via email to set up an account.

- Extended Care families have already transitioned to Procure.
 - Preschool and Kindergarten families will begin using Procure Monday, August 8th. Attendance will be taken using a QR code or Pin# (assigned by the program), and all authorized caregivers on your child's account will have their own unique Pin#.
- If you need assistance with your account, please call or stop by the office.

We greatly appreciate your patience during this transition.

Tuition - Billing - Payment

- *Online payments through the Procure system will be available beginning 8/15/22 for Preschool families, and 9/5/22 for Extended Care families (with or without Preschool/Kindergarten).
- Payment can be made with a debit card, credit card or bank account (ACH).
(Please choose ACH if at all possible to avoid processing fees.**)**
